

ELECTING A NEW COMMITTEE

The Friends constitution requires that, at the end of this Summer Term, the current Committee step down having completed a one-year term of office.

We therefore, announce that a new committee will be elected at the Annual General Meeting (AGM) on Thursday 12 September 2013. The new committee will then serve until the end of the school year, July 2014.

The rules state that **ALL** Friends can apply for any of the following roles with the exception of the current committee who have to be nominated for re-election:

Chair
Vice Chair
Hon Secretary
Hon Treasurer

The Friends Committee has been a real team effort this year and are more than happy to guide and support newly elected committee members to ensure there is a smooth transition and sharing of best practices.

The role is very fulfilling and the work the Friends do is much appreciated by Mrs Paines, the teaching staff, Governors and of course OUR children.

It's not just about fundraising but about nurturing our community spirit, organising events that bring the whole school together whilst having fun.

If you would like to nominate yourself for one of the above roles please fill in the slip below and return it in an envelope marked Friends Election by **Friday 19th July 2013**. Please post in the School Office Black Post Box.
