Ethnic background form (based on the new National Population Census ethnic categories)

Pupil's name Class/Form:

*Our ethnic background describes how we think of ourselves. **However, ethnic background is not the same as nationality or country of birth.***

The Department for Education and Skills (DfES) recommends that young people aged over 11 years old should have the opportunity to decide their own ethnic identity. Parents of carers are asked to support or advise those children aged over 11 in making this decision. Pupils aged 16 or over can make this decision for themselves.

Please study the list below and tick one box only to indicate the ethnic background of the pupil or child named above. Please also tick whether the form was filled in by a parent or the pupil.
