

LONG DITTON

INFANT AND NURSERY SCHOOL

THE HEART OF LONG DITTON SINCE 1911

Use of Pupil Premium 2015-16

The Pupil Premium is allocated to children from low income families who are currently known to be eligible for Free School Meals (FSM) in both mainstream and non-mainstream settings and children who have been looked after continuously for more than six months. This will also include pupils eligible for FSM at any point in the last six years (known as the Ever 6 FSM measure).

Schools are free to spend the Pupil Premium as they see fit. However we will be held accountable for how we have used the additional funding to support pupils from low income families. From September 2012, we were required to publish online information about how we have used the Premium. This ensures that parents and others are made fully aware of the attainment of pupils covered by the Premium and the extra support that they receive.

Our School

In 2015-16 (April to April)Long Ditton Infant and Nursery School will receive approximately £31,900 for Pupil Premium for 16 pupils on the FSM register in school year 2014-15 and 22 children in school year 2015-16 .

Below is a breakdown of the extra support we plan to offer disadvantaged children on our register to ensure they are making the maximum progress.

Activities Selected	What this does/how it improves learning	Targeted pupils	Cost	Impact looking for
<p>Language groups (Based on Talking Partners and Language for Thinking in KS1 and Communication Cookbook and Elklan in EYFS)</p> <p>Over the year, 10 children in total from KS1 & EYFS</p>	<p>This develops communication skills, language and vocabulary acquisition, social skills and confidence.</p> <p>This improves learning by</p> <ul style="list-style-type: none"> • Developing active listening so children can sort information, follow instructions and understand learning tasks • Developing receptive language skills to understand and respond appropriately • Developing communication skills for group and paired work • Developing expressive language skills to be able to ask and answer questions, discuss their learning and to say, plan and write sentences. • Pre teaching vocabulary to help the understanding of new concepts in the classroom 	<p>Year 2, Year 1 and Year R 3x20min weekly</p>	<p>£ 5,090 (approx)</p>	<ul style="list-style-type: none"> • Increased confidence • improved listening skills • more active engagement in class and small group work • improved expressive language • better vocabulary understanding • improved social interaction in a small group • At least a 10 % increase in the learning behaviour score (BPSD) • At least 3 points progress over the year for KS1 and EYFS children
<p>Reading support (Over the year, 15 children in total from KS1 & EYFS)</p>	<p>This reinforces and consolidates children's understanding of the different reading strategies they can use and provides additional opportunities with their class teachers for regular practice.</p> <p>As a result children</p> <ul style="list-style-type: none"> • Are more confident readers and feel equipped to tackle unknown words • Are more able to use a range of strategies with increasing independence • Will increasingly enjoy and value reading • Are able to listen to stories and develop their understanding of sentences • Develop their comprehension skills 	<p>KS1 Between 1-2 times a week (depending on the child) for 10 minutes</p>	<p>Approx £900</p>	<ul style="list-style-type: none"> • More confident readers • Motivated / keen readers • Children able to independently use a wider range of reading strategies • Children with increased levels of comprehension • Children are making at least the same amount of progress as their peers and are more able to meet age related expectations

	<ul style="list-style-type: none"> Develop their range of vocabulary 			<ul style="list-style-type: none"> Children making at least one FRED level progress per term The majority of children to increase their Salford reading age score by more than a year between the Autumn and end of summer term
<p>Precision Teaching (Over the year, at least 15 children in total from KS1 & EYFS)</p>	<p>This targets children's specific learning needs in very small steps to ensure basic skills are fully embedded. As a result</p> <ul style="list-style-type: none"> Children will be secure with basic steps in their learning (e.g. phonics, high frequency words, number facts) and be able to recall them with ease and apply them to their learning This will increase their confidence and self esteem The children will be motivated by their success which will help develop a positive attitude to learning After training with the Educational Psychologist, all staff using the system will be able to effectively assess the children's progress and plan their next step 	<p>In the EYFS and KS 1, at least 15 FSM children over the year.</p> <p>3 x week for 10 mins.</p>	£ 3600 approx	<ul style="list-style-type: none"> Staff are confidently and independently using the precision teaching format and assessment process. The majority (51-64%) of children making at least one FRED level a term The majority of children to increase their Salford reading age score by more than a year between the Autumn and end of summer term. The majority of Children making at least the same amount of progress as their peers
<p>SNAP on to maths</p>	<p>This targets children's specific learning needs in very small steps to ensure essential basic number facts are fully understood and embedded. As a result</p> <ul style="list-style-type: none"> Children will be secure with basic number facts (relative to their learning development) and be able to recall them with ease and apply them to their number 	<p>In the EYFS and KS 1, at least 9 FSM children over the year. The children dip into and out of the group depending on need and involvement with other interventions.</p>	£2390 (approx)	<ul style="list-style-type: none"> The large majority of the children are making at least the same amount of progress as their peers The children will have good understanding and recall of number facts (relative to their learning

	<p>work</p> <ul style="list-style-type: none"> • This will increase children's confidence and self esteem • The children will be motivated by their success which will help develop a positive attitude to learning • With secure number facts, children will be able to access the next step in their maths learning 			<p>development) and will use these to help them with simple calculations on the majority of occasions.</p>
Home School Link Worker	<p>This provides an independent support service for parents to use about any matter concerning them either at home or at school. This support can</p> <ul style="list-style-type: none"> • Help with attendance at school • Help develop an effective working partnership between school and home • Help families extend their range of behaviour management strategies which helps children to follow routines at home and school • Help develop children's positive attitudes to learning and develop their readiness for school 	<p>Currently 4 KS1 and EYFS families have requested this service and it is available to all families.</p>	<p>£3100</p>	<ul style="list-style-type: none"> • Attendance for the majority of the children is increased • The large majority of the children are making at least the same amount of progress as their peers • The majority of children have increased their well being scores by at least 10% in every area (BPSD) • The large majority of parents attend parent consultations to discuss their child's progress and next steps
One to one literacy tuition with an experienced senior teacher (4 FSM)	<p>Personalised and focused reading and writing teaching and learning with an experienced senior teacher. As a result</p> <ul style="list-style-type: none"> • Children will understand their strengths and areas for development • They will have 1-1 time with a highly skilled teacher to consolidate and extend their writing and reading skills • This will increase their confidence and self esteem 	<p>Year 2 (Regular 10 min and 15 minute sessions over the year)</p>	<p>£900 (approx)</p>	<ul style="list-style-type: none"> • The large majority (65-79%) of children making at least one FRED level a term • The majority of children to increase their Salford reading age score by more than a year between the Autumn and end of summer

	<ul style="list-style-type: none"> • The children will be motivated by their success which will help develop a positive attitude to learning. • The children will be more able to use a range of strategies with increasing independence • The children will enjoy and value reading • The children will be develop their comprehension skills • The children will be develop their range of vocabulary 			<p>term.</p> <ul style="list-style-type: none"> • The large majority of Children making at least the same amount of progress as their peers and are more able to meet age related expectations • The majority of children have increased their well being scores by at least 10% in every area (BPSD)
<p>Small group work for phonics and reading (14 FSM)</p>	<p>Some children need specific support with aspects of their phonics and reading development. By organising phonics teaching across the school by development rather than by classes or age, we can offer smaller groups for those children who need it . As a result we can ensure FSM children receive targeted help.</p> <ul style="list-style-type: none"> • This will increase children’s confidence and self esteem • The children will be motivated by their success which will help develop a positive attitude to learning • Children feel equipped to tackle unknown words using their phonic skills • Children have more opportunities to independently practise a range of strategies in a supported group • Children increasingly enjoy and value reading • Children develop their comprehension skills • Children develop their range of vocabulary 	<p>EYFS and KS1 (3x 30 minutes / or equivalent weekly)</p> <p>The whole staff are fully trained and involved in the RWI scheme.</p>	<p>£5895 (approx.)</p>	<ul style="list-style-type: none"> • The majority (51-64%) of children making at least one FRED level a term • The majority of children to increase their Salford reading age score by more than a year between the Autumn and end of summer term. • The large majority of children making at least the same amount of progress as their peers • The majority of children have increased their well being scores by at least 10% in every area (BPSD)

<p>Specific Staff training</p>	<p>To develop and maintain a whole school ethos of high expectations and high aspirations for FSM children, professional development is crucial. Through training staff will :</p> <ul style="list-style-type: none"> • Have a good understanding of barriers to learning for FSM children • Incorporate a range of strategies to overcome the barriers in their quality first teaching • Be aware of and understand good practice in other Local Authorities and schools and use it to benefit the FSM children at this school 	<p>All FSM children</p>	<p>£2,680 approx</p>	<ul style="list-style-type: none"> • All staff will have high expectations for FSM children • All staff will recognise barriers to learning and proactively seek to overcome them • The large majority of children will increase their well being scores by at least 10%in every area (BPSD) • The large majority of children making at least the same amount of progress as their peers
<p>Progress tracking meetings, data analysis & monitoring.</p> <p>FSM champion (tracking, monitoring, liaising with families & outside agencies, research, developing parental engagement)</p>	<p>To ensure all aspects of strategic planning, monitoring and evaluation of FSM are effective, the school needs a FSM champion.</p> <p>To effectively personalise learning, all staff need to have ownership of data analysis and planning interventions and individual strategies.</p> <p>This requires dedicated time to work collaboratively with senior leaders.</p> <p>As a result the needs of the FSM children will be better met and staff will have the understanding and confidence to think creatively to overcome any barriers to learning.</p>	<p>All FSM children</p>	<p>£3,703 approx</p>	<ul style="list-style-type: none"> • All staff will have high expectations for FSM children • All staff will recognise barriers to learning and proactively seek to overcome them • The large majority of children have increased their well being scores by at least 10%in every area (BPSD) • The large majority of children making at least the same amount of progress as their peers
<p>Holiday play packs (reading, listening tapes, puzzles) Easter and Summer 22 children</p>	<p>During longer school holidays children need opportunities to practise and apply their learning in fun ways. As a result</p>	<p>All FSM children</p>	<p>Approx £800</p>	<ul style="list-style-type: none"> • The large majority of children have increased their well being scores by at least 10%in every

	<ul style="list-style-type: none"> • They will retain and strengthen the learning they do at school during term time • At the beginning of term they will be more able to continue their learning from where they left it rather than needing to revisit it before new learning can take place 			<p>area over the year</p> <ul style="list-style-type: none"> • The large majority of children making at least the same amount of progress as their peers • Less intervention time will be required to relearn previous learning
<p>Informal meetings with parents e.g. coffee mornings, individual support, small curriculum workshops .</p> <p>22 children</p>	<p>Good home / school relationships and parental engagement has a recognised positive impact on children's learning . As a result :</p> <ul style="list-style-type: none"> • Parents will be offered regular opportunities to talk to school staff about any matter concerning their child if they want to • Parents will feel more comfortable talking to and working with school staff • Parents will feel supported and more confident about how to encourage their child's learning 	All FSM children	Approx £375	<ul style="list-style-type: none"> • All parents of children eligible for FSM will be invited to at least one informal meeting a term. • The majority (51-64%) of parents eligible for FSM will have attended one informal meeting (group or 1-1) and been asked their views on how school can support their child's learning • The large majority of children have increased their well being scores by at least 10%in every area • The large majority of children making at least the same amount of progress as their peers
Attending breakfast and after school clubs	<ul style="list-style-type: none"> • This ensures children's physical and emotional needs are met at the beginning of the school day so they are able to focus on their learning at school. • Attending after school clubs increases children's self esteem and aspirations by extending the experiences available to them. 	<p>Breakfast club – During each of 5 sessions per week. one attendee is FSM</p> <p>In KS1 and EYFS all FSM attend after school clubs 1 x week</p>	£ 5,100 approx	<ul style="list-style-type: none"> • Child is ready for learning in school and feeling more settled. • Children feel more confident and resilient • Children more willing to move out of their comfort

	<ul style="list-style-type: none"> Raising confidence and aspirations develops children's resilience and well being so they are better able to take risks with their learning and move out their comfort zones. 			<ul style="list-style-type: none"> zone and take risks with challenging learning Children with raised aspirations and expectations of what they can do
School trips	<p>All children have the right to experience a broad and balanced curriculum including planned learning outside of the classroom environment.</p> <p>As a result, no child will be prevented from these valuable learning experiences due to financial constraints.</p>	All FSM children	£ 660 approx.	<ul style="list-style-type: none"> Children do not feel disadvantaged as they have had the same learning experiences as their peers Children feel more confident and resilient Children more willing to move out of their comfort zone and take risks with challenging learning
Uniform	<p>This contributes to ensuring children's physical and emotional needs are met .</p> <p>As a result they are able to focus on all aspects of their learning.</p>	FSM children as required	Approx. £30	<ul style="list-style-type: none"> Children feel the same as their as their peers. Children feel more confident and resilient
Total	Please note that other funding is used to support these activities – and this does not include other teaching and learning strategies that take place.		£35, 223
