

Year 1 - Stay at Home

Lesson Objective: To count in multiples of 5 and 10

ACTIVITY 1: Create 5p and 10p coins

- Cut some circles out of paper
- Label each coin 5p or 10p
- *Secretly hide the coins around the garden/house*

ACTIVITY 2: Jumping Relay

- Jump over different objects
- Every jump is worth 10 points
- Every jump is worth 5 points

ACTIVITY 3: Coin hunt

- Find the coins hidden around the garden/house
- Add up the coins to make a total
- Play again and add the two scores together
